SCHEDULE TO ESTABLISH BOARD TIME ON DEEP SAILINGS
FROM WILMINGTON

1/17/24

- Nothing in this schedule shall be interpreted as limiting the pilot, vessel master, or facility operator from taking additional actions necessary to increase the level of care that ensures a vessel's safe transit and mooring.
- Time limits subject to change due to weather conditions, low powered vessels or emergencies.
- Vessels 38 feet and less move on any tide time at pilot's discretion
- Vessels with intentions to sail with drafts at 38'01" thru 41'00" shall be moored port side alongside only.
